

App for newcomers to Canada to let them know what health and social services are available to them in BC (multilingual).

<https://arrivaladvisor.ca>

Settling in British Columbia is now easier, with Arrival Advisor.

New to British Columbia? The Arrival Advisor app, created by PeaceGeeks, is your trusted companion from your arrival in Canada to when you feel comfortably settled. Whether you need a job, want to learn English, or connect with your community, find all the information and services you need to get started in your new community. It's free, in your language, and personalized for you.

We can help.
